Dear colleagues,

A long winter has finally subsided, temperatures are rising, and the days are getting longer. Each year, as we celebrate the return of spring we also gather to honor those among us who are celebrating either their retirement or 20 years of service to the Haverhill Public Schools. The annual Haverhill Education Association Honors Banquet is our chance to collectively recognize the achievement of our colleagues as an association. What better way to say thanks for a generation or career of service than with a party complete with cocktails, door prizes, live music, and great food?

Please join us at DiBurro's Function Facility on Wednesday, May 20<sup>th</sup> for the 2015 HEA Honors Banquet. In addition to a wonderful time with wonderful people from across the district, the evening will feature the presentation of the 2015 HEA Scholarship Award. Building representatives will be distributing table sign-up sheets and collecting payments until May 8<sup>th</sup>. Members in buildings without representatives, or those with any questions or concerns can contact me at (978) 914-3146 or anthonyparolisi@gmail.com.

*Hope to see you on the 20<sup>th</sup>!*
