Dear Members,

As you can see this issue is mostly dedicated to the Honors Banquet. I encourage all to consider attending. This is a great way to join together and celebrate the job we all do every day.

Please protect your basic rights such as duty free lunch and prep time. If you are being forced to work during these times, insist that your administrator direct you in writing to do so and report the infringement on your time to us immediately. We have been experiencing a lack of response on the part of Superintendent Scully about union issues. I appreciate and applaud the great amount of work he must commit to the new Hunking, but we have unanswered inquiries dating back to January. Meanwhile, as the surveys show, you do more and more work no matter how many more hours it adds to your day.

The contracts for all three units are due to be negotiated. After a stutter step start in November the Teacher Team, lead by 1<sup>st</sup> Vice President Elect Ted Kempinski, met for planning and the analysis of our surveys. We notified the school committee of our intent to bargain the second week of March and heard back from Mr. Wood April 7<sup>th</sup>, that they will be contacting us with dates someday soon.

In unity,

*Joseph V. Cunha*

While the focus of the yearly banquet is to honor Retirees and 20 Year Veteran Teachers, it's also an opportunity to celebrate with all who take such good care of the students in the City of Haverhill. Everyone is encouraged to attend not just friends of honorees. Our evening's events include the awarding of the 2014 HEA Scholarship, live music, cash prize raffles and this year's keynote speaker is everyone's favorite Honors Banquet speaker .... **Mike Rossi !**
