President Elect Bernie McCann

Dear Colleagues,

I hope this letter finds you all well and making plans to enjoy some down time this summer. As the year winds down, Marc and the Executive Board members are bringing me up to speed on the immediate issues our membership faces as well as those anticipated this coming year. Negotiating our next contract will be one of the most critical we face, and we will keep members involved, and appraised of our progress throughout the process. During the summer, I will be available to meet with any staff member, in the office, or a more convenient location for those members traveling from out of town (i.e. somewhere between Haverhill and where you live). The best way to contact me is my cell phone (**978-994-9405**), my personal e-mail (**bernie1129@aol.com**) or through the HEA office.

I look forward to working for all of you and meeting those members I have not worked with in the past. I would also like to thank Marc for his commitment to the HEA over the past 8 years, and in advance for fielding my phone calls this summer with questions. I promise not to bother him when he is on the beach or stopping at Cristaldi's for a slice or two.

**Bernie**
