## 2<sup>nd</sup> Annual “Code Blue!” Fundraiser Successful

Once again, the members of the Haverhill Education Association have shown the students, parents, and residents of Haverhill how committed we are to our students. On Friday, April 1<sup>st</sup>, educators across the district showed up at school in their HEA blue, including the new t-shirts acquired from the MTA, and donated to this year’s award. Your generosity will go a long way to helping one of our own students succeed in college. Thank you to everyone who participated in the “Code Blue!” event and to all who have contributed to the success of this scholarship throughout this year and in the past. I hope every one of you will consider joining us at our annual Honors Banquet when we present the award to this year’s deserving student. As applications for the scholarship begin to arrive, I am inviting any members interested in joining the Scholarship Committee to help choose a winner to contact me right away. We will meet no more than one or two times to review the applications and choose a winner between April vacation and the first week of May. For more information or to volunteer, email me at [anthonyparolisi@gmail.com](mailto:anthonyparolisi@gmail.com)

Thanks again for all you do,

*Anthony*

Veteran and new teachers alike are welcomed and encouraged to join us for the evening's festivities including the presentation of the 2016 HEA Scholarship, live music, and door prizes. In the end, a great time is always had by all!
