

# **MTA Benefits**

## **Disability Insurance Consultations**

Please keep in mind that central office allows us to bring the disability insurance to our schools and the HEA works with the MTA for scheduling purposes. Any changes to your plan would need to be handled directly with the insurance provider. The HEA is not the issuing authority and so does not have the ability to assist with these insurance policies.

Use the online appointment scheduler at [www.myenrollmentschedule.com/mta](http://www.myenrollmentschedule.com/mta) or call (866) 998-2915 to schedule an appointment with a benefit counselor. (On the scheduling website, there's a drop-down window. Highlight it and then scroll down to "Haverhill" and select the school you are situated at and then the available appointments will populate for that school.)
